

Sheep fat treats

Product information

Our sheep fat treats are 100% natural products without any added chemicals like aromas, flavourings or colourings and constitutes a healthy supplement to the daily diet of your pet. The treats are suitable for all dog breeds and for puppies as well as full grown dogs. Our sheep fat is available in ten flavours in a pet store near you.

Our treats can be given as a reward. They have a positive influence on the gut flora and they stimulate the intake of nutrients. Furthermore, they support and enhance the immune system and have a positive effect on the skin and coat of your pet. Dogs simply love it.

Every version of sheep fat treats we offer (garlic, seaweed, salmon and natural) has its own composition and effect. Our oils and fatties are all 100% natural and do not contain added chemicals. They are also quite good for dogs with food allergies on a diet of lamb meat.
