

## Liquid sheep fat

### Product information

Liquid sheep fat is the ideal taste making-topping to pour over the meal of your dog or pigeon. It not only supports and improves digestion, but also makes the skin and coat of your furry friend shine again. And it also enhances food intake and is beneficial for heart- and blood vessels.

Liquid sheep fat is composed of sheep fat, salmon oil (omega 3 and 6) and sunflower oil. The salmon oil is cold-pressed from fresh salmon and contains omega 3 and 6 fatty acids and has optimal EPA/DHA values. Sunflower oil contains a high amount of polyunsaturated fatty acids, omega 6 fatty acids and vitamin E. Vitamin E is an important antioxidant that protects the cells, cell wall, blood stream and tissue and also regulates the metabolism within the cell. The product is enriched with emulsifiers to improve the digestion and is stabilized on a natural basis.

Liquid sheep fat is composed of sheep fat, salmon oil (omega 3 and 6) and sunflower oil. It supports the skin, coat, digestion and gut of your pet and it helps with food intolerance. It's also suitable for all dog breeds and all ages.

- Contains Omega 6 and 9 fatty acids
- Shiny coat and skin
- Good for all dog breeds, regardless of age
- Enhances appetite
- Improves joint functions
- Supports digestion
